C01. LEATHER/SUEDE

**WE CARED
FOR THIS PRODUCT.
HOPEFULLY YOU
WILL DO THE SAME.**

Leather is a natural material and to maintain the soft touch and the special look it must be treated with the utmost care.

Leather is more sensitive to sunlight and water stains than normal fabrics. Furthermore the dyeing of the material is done by hand and this special treatment may unfortunately cause smudging on other fabrics.

To minimize the risk of smudging we recommend always to avoid contact with light coloured fabrics when wearing.
